HURRICANE GUSTAV “ THE CITY OF D’IBERVILLE WAS READY”

We had another busy week; we have 27 days left until the Police department assumes full Law Enforcement duties. We had a very long weekend with the preparations for the storm and then the Holiday that most of us had to work, because of the storm. Gustav caused some Flooding, down trees, power outage and damage in our city. Officers stayed busy before, during and after the storm, stopping people coming out and riding in the city just for the purpose of sight seeing. The curfew was put in place not only to protect the safety of our citizens but to also protect our citizens’ property. It is so dangerous to venture out into the storm because of the flying debris. If an officer has to deal with someone sight seeing it takes him away from more serious calls. Please stay safe and do not venture out until the all clear is given. I want take this opportunity to thank the Mayor, City Council, City Manager and all of the departments of the City of D’Iberville, for all of there support given to the D’Iberville Police Department, before,

during and after the storm. I want to thank Supervisor Windy Swetman for allowing the Police department to utilize the Senior Citizens Center as a command operation center and Sheriff Melvin Brisolara for assigning extra deputies to the city of D'Iberville. This truly was a team effort "JOB WELL DONE". In other events in the city, we have had a few residential burglaries as a result of evacuation of our citizens, we are following up on some leads. This morning we worked, what we thought at first was a hostage situation, at the Winn Gate Inn, it turn out not to be and we arrested a Ainsley McIntyre and Dannon Nettles, both of Louisiana, for Misuse of 911 and other Misdemeanor charges.

We are still conducting the backgrounds on the top applicants and we should be completed very shortly. The equipment is coming in; however, we still have equipment to order.

Thank you!

Serving our citizens with Dignity, honor & Integrity

Chief Payne
